

Childcare Service

At the National Art Center, Tokyo (NACT), we offer a childcare service to enable parents or guardians of children to enjoy viewing the exhibitions at their leisure. Just make your reservation and head out to the Center.

2

Note: Reservations for childcare service on Sat., Sun., Mon., and national holidays must be made by the previous Friday.

The childcare service is part of "Connecting Children with Museums," a project undertaken by all of the National Museums of Art to provide children with more opportunities to encounter art. It is presented with support from the Adobe Foundation. For information on other Connecting Children with Museums programs, please see: <https://odekake.artmuseums.go.jp/>

Connecting Children with Museums initiative is supported by the Adobe Foundation
